## CAREER OVERVIEW

Senior Talent Partner with extensive experience designing and delivering modern, **human-centred hiring** across Product, Engineering, Data, UX and Creative disciplines. I specialise in building scalable talent practices that elevate candidate experience, strengthen culture and enable teams to grow with clarity and intention.

My approach blends strategic partnership, design thinking and global operational experience. I've shaped hiring systems across Europe, North America, LATAM and APAC, introduced modern sourcing frameworks, and delivered measurable impact including **£300k+ annual agency savings** and a **25% referral-to-hire conversion rate**.

## MEASURABLE IMPACT
